Chris Skinner

Finance and Banking Expert

CSA CELEBRITY SPEAKERS

Chris Skinner is known as one of the most influential people in technology, and as an independent commentator on fintech through his blog, the Finanser.com. He is Chair of Nordic Future Innovation, is a non-executive director of 11:FS and on the advisory boards of various firms including Mode, Moven and Meniga.

"Leading expert on the impact of digital technology on financial services

In detail

Chris Skinner has been an advisor to the United Nations, the White House, the World Bank and the World Economic Forum, and is a visiting lecturer with Cambridge University as well as a TEDx speaker. In recent years, he has been voted one of the UK's foremost fintech observers by The Telegraph and one of the most influential people in financial technology by the Wall Street Journal's Financial News and Thomson Reuters. He is also co-founder with renowned artist Basia Hamilton of The Portrait Foundation, a non-profit platform to encourage children and the arts. His latest book (sixteenth!) is called Doing Digital and shares the lessons of doing digital transformation learned through interviews with BBVA, China Merchants Bank, DBS, ING and JPMorgan Chase.

What he offers you

Chris shows how the rapid pace of change and tomorrow's technology must inform today's business strategy. His keynotes focus upon the key current trends and future scenarios for areas of financial services, across retail and investment markets and payments.

How he presents

Chris' energy, drive and enthusiasm for innovation and change impress his audiences. His insights into financial services and his contribution to this industry will continue to pay dividends over many years.
