

Drum Café

Leading Team Building & Corporate Events Companies

CSA CELEBRITY SPEAKERS

Drum Café is one of the world's leading team building and corporate events companies and have swept the planet with their unbelievable phenomenon. Having had over 15 years associated with conference and event management few entertainers (interactive or not) leave you with the impact that 200 djembe drums do. While the Drum Café has expanded it retains its humble origins. It is about connecting people and building teams through Interactive Drumming.

"Building teams....one beat at a time"

In detail

The Drum Café was started in Johannesburg in 1996 by Warren Lieberman. It started as an actual Café where drumming was used in a relaxed environment to break down barriers, inspire people and bring people together. Moved by the experience of communal drumming in Africa, and the passion to unite different groups of people together in South Africa's post apartheid era, Warren Liebermann developed a global team building and entertainment program along with leading motivational speakers, team builders and Africa's top drummers. They offer you Drum Café offers unique and flexible corporate events customised for individual organisations. Drum Café provides drums and facilitators for 20 to 2000, with the opportunity to build energy, encourage team work, break down corporate barriers and just generally have the best time ever. How they present The sound of African djembe drums resonating through your own hands and the team around you will add a dimension to your event or conference that you have never seen or felt before.

Languages

They present in English.
