Pop / Rock A Cappella Show

CSA CELEBRITY SPEAKERS

FORK are a Finnish foursome who can justifiably claim to have reinvented the art of a cappella. The band is known for its magnificent shows which fearlessly combine the various forms of stage art; pitch-perfect vocal music, Scandinavian ironic wit, fabulous costumes and a state-of-the-art light show. It all adds up to an entertaining and humorous, yet elegant show experience.

"Recreating pop hits in every sonic detail, FORK could be Finland's answer to Abba" The Herald

In detail

Since FORK's foundation in 1996 by three theatre students - Mia Hafrén, Silva Lillrank (who was replaced by vocalist Anna Asunta in 2010) and Jonte Ramsten - plus police cadet Kasper Ramström, the group has never stopped re-inventing itself. Their concept is unique on the global entertainment scene. Close your eyes and you'd swear there were instruments on stage, but every sound you hear - from perfectly pitched vocals to rock guitar riffs and powerful basslines - is produced live by the human voice; there are no backing tapes or hidden singers! Coldplay's Viva La Vida to the intricacies of their rousing 'Gaga' medley - not to mention their own dance mix of recent club classics! FORK have already taken their show to London, Monaco, Dubai, New York, Moscow, Chongqing (China) to mention a few... and nothing seems to stop them. How they present the voices, the choreography, the costumes and the concept are all extremely polished and clearly designed for maximum audience impact. FORK never fails to fulfil the promise they make at every show: by the end, you will be dancing!

"If there is one word which sums up their performance, it is the word spectacular!" One4Review
