"The man behind the once booming dotcom bubble"

In detail

Alok single-handedly curated the Mobile-VAS industry and then moved on to master the virtual world. His first two companies, Contest2win and Mobile2win handled SMS contests for TV shows. Mobile2win was later acquired by the Walt Disney Co. The third venture, Media2win handled the arena of gaining money from providing famous songs as ringtones to customers on receiving an SMS from them. He also founded an online community for emerging entrepreneurs. He has successfully raised venture capital from some of the world's leading VCs such as Softbank China, Siemens Acceleration, Clearstone Venture Partners and Silicon Valley Bank. Alok is a recognised business leader, investor and advisor focused on the impact of emerging technology trends, such as blockchain, artificial intelligence and digital marketing on business and society.
