

Andrew Keen

Renowned Commentator on the Digital Revolution

CSA CELEBRITY SPEAKERS

Andrew Keen, Entrepreneur, Author and Broadcaster is among the world's best known contemporary analysts of digital business and culture, and commentators on the digital revolution. He is executive director of the Silicon Valley innovation salon FutureCast.

"The most famous British tech voice in the US"

In detail

Andrew is the author of three books and his current international hit 'The Internet is Not the Answer' which The Sunday Times acclaimed as a "powerful, frightening read". He is the host of the popular Internet chat show Keen On, a Senior Fellow at CALinnovates, a columnist for CNN and a much acclaimed public speaker around the world. In 2015, he was named by GQ magazine in their list of the "100 Most Connected Men". As a pioneering Silicon Valley based Internet entrepreneur, Andrew founded Audiocafe.com and built it into a popular first generation Internet music company. He has also co-founded a number of other Silicon Valley start-up ventures including afterTV and now.tv.

What he offers you

One of the world's most influential thinkers on 21st century business, technology and media, Keen is renowned for his controversial commentary on the digital revolution and its impact on culture and the economy. "If you don't think your company is vulnerable to the digital revolution, then your company is dead," says Keen.

How he presents

Andrew is an eloquent and passionate speaker, he is sharp-witted and often extremely funny.

Languages

He presents in English.
