

Avi Reichental

Founder of XponentialWorks and Former President and CEO,
3D Systems

CSA CELEBRITY SPEAKERS

Avi Reichental is the Founder, Chairman and CEO of XponentialWorks, an expert advisory, venture investment and incubation ecosystem company that is focused on disruption. Avi also served as the President and CEO of 3D Systems. Under his leadership, the company has emerged as a global 3-D content-to-print leader that is redefining and shaping how we design, produce, consume and live.

"A respected expert on 3D Printing & Design"

In detail

For the preceding 22 years, Avi held various senior executive leadership positions with Sealed Air, a leading global provider of food safety and security. Avi sits on the Board of Directors of Harman International, a leading company that designs and engineers connected products and solutions for automakers, consumers and enterprises worldwide. In 2014, Avi was named as one of the top 25 Makers Who Are Reinventing the American Dream by Popular Mechanics magazine. In 2013, Avi was listed as one of Fortune magazine's Top 50 Business Leaders.

What he offers you

Avi is a noted futurist and frequent keynote speaker. What's the big deal about 3D printing? Avi Reichental discusses how 3D printing will disrupt the manufacturing sector and shape the future of our industries.
