

Sir Christopher Pissarides

2010 Joint Nobel Prize Winner for Economics

CSA CELEBRITY SPEAKERS

Sir Christopher Pissarides was jointly awarded the Nobel Prize in Economics in 2010. He is holder of the Norman Sosnow Chair in Economics at the London School of Economics. He has served on the European Employment Task Force and is an authority on employment policy and other labour issues.

"His book 'Equilibrium Unemployment Theory' is a standard reference in the economics of unemployment

In detail

Sir Christopher served as Vice President of the European Economic Association in 2009, becoming President Elect in 2010 and President in 2011. He has served as Head of the Economics Department at LSE, and is an elected Fellow of the British Academy, the Econometric Society, the European Economic Association and the Society of Labour Economists. He is also a Non-National Senior Associate, Forum for Economic Research in the Arab Countries, Iran and Turkey and a former member of the Monetary Policy Committee of the Central Bank of Cyprus.

What he offers you

Sir Christopher provides specialist analysis of the economics of unemployment, labour-market theory, labour-market policy and growth and structural change. He explains the importance of structural change and economic performance as indicators of the strategies required to stimulate economic growth.

How he presents

Sir Christopher explanations are clear, informative and expertly delivered, making him one of the most sought-after Nobel Laureates.

Topics

Macroeconomics of Labour Markets
Structural Change
Economic Growth Indicators
Comparative Economic Performance
The Economics of Unemployment
Wage Inequality
Labour Market Policy

Languages

He presents in English.
