The World's Most Profound Business Thinker

CSA CELEBRITY SPEAKERS

Gary Hamel's reputation as a business thinker is unequalled, he is one of the world's most influential and sought-after speakers. His innovative entrepreneurship model is the blueprint for all companies wishing to become outstanding. Professor Hamel is leading an effort to build the world's first "Management Lab."

"The world's reigning strategy guru" The Economist

In detail

Gary is the most reprinted author in the history of the Harvard Business Review. The World Bank's Innovation Market is Hamel's latest HBR article. Other articles include Innovation Now, and Why It's Time to Take a Risk. In the last three years he has also authored three cover stories for Fortune. He is on the board of the Strategic Management Society and he is a fellow of the World Economic Forum. The MLab is a pioneering attempt to create a setting in which progressive companies and world renowned management scholars work together to co-create "tomorrow's best practices" today. The goal: to radically accelerate the evolution of management knowledge and practice.

What he offers you

Fortune magazine describes him as "the world's leading expert on business strategy" and the Financial Times calls him a "management innovator without peer." He has been ranked by The Wall Street Journal as the world's most influential business thinker. Professor Hamel has changed the focus and language of strategy in many of the world's most successful companies. In his work with world leading companies such as Shell, Nokia, CGU, Ford and others, Gary Hamel will demonstrate how to create rule-breaking strategies that will demonstrate how to create billions of dollars in new wealth.

How he presents
