

Prof. Helmut Schlesinger
Former President of the German Bundesbank

CSA CELEBRITY SPEAKERS

Helmut Schlesinger played a crucial role in policies that enabled West Germany, and later unified Germany, to build its economy. He is synonymous with the crusade for low inflation, and responsible for visionary economic and financial policies; policies that have ensured the pre-eminence of the German Mark. In 1998, he became advisor to the Indonesian government and was assisting to sort the country's financial crisis.

A visionary on the future of Europe

In detail

The recipient of numerous national and international awards such as the Dulles Honorary Professorship of Princeton University, New York, he is also a lecturer at the Humboldt University. Additionally, he has been appointed to the Governing Board of the Bank for International Settlement and the Economic Sciences Board of the German Ministry of Economics.

What he offers you

He sets the developing financial European landscape into a clear context so that business leaders can reflect on the implications for their organisation. There is hardly anyone else who offers such a credible view particularly with regards to global monetary issues.

How he presents

He is a real thought provoker and a powerful voice in monetary policy issues and will compel you into action.

Topics

The Implications of European Monetary Restructure
Trends: Global, Economic and Financial
The Road to European Economic and Monetary Union
The European Currency - Before and After
The European Economic Landscape

Languages

He presents in English and German.
