

Dr. James Bellini

Leading Futurologist

CSA CELEBRITY SPEAKERS

Dr James Bellini has a considerable reputation as a thought-provoking speaker and moderator at top-level management conferences and business schools around the world. James is a respected futures analyst and writer with a strong focus on social, economic and technological trends up to Horizon 2025.

"A historian of the future

In detail

After an early academic career James joined the US-headquartered futurology 'think tank', the Hudson Institute, as its first British member. He subsequently moved to the BBC to present The Money Programme, Newsnight, and Panorama. He has received numerous awards and accolades for his outstanding work throughout his career. For seven years he was a studio presenter with Financial Times Television and Sky News. James has written many books and special reports and is a regular contributor to leading publications.

What he offers you

Dr Bellini addresses issues both present and future that impact on the process of management decision-making. He focuses on a number of specific but interrelated areas of direct relevance to business and government.

How he presents

He is a brilliant and polished speaker; he is also one of Europe's leading conference facilitators, with a long career in broadcast journalism.
